Theoretical Perspectives

MCEO teachings presently exist on Earth as a growing body of detailed information pertaining to the spirituality and science of creation and the history and evolution of humanity. MCEO teachings offer unique perspectives, techniques and technologies of mind and spirit that have proven useful to many people in the exploration and expansion of personal consciousness. Information contained within MCEO teachings represents a cohesive paradigm of ideas, beliefs and perspectives reportedly translated from ancient texts, which together comprise an affirmative and inspirational “point of view” or “world view” regarding the tangible realities of spirituality, the mechanics of creation, the history of our universe and the potentialities of the human condition. Like many popular “New Age” and “Traditional” paradigms of spiritual, scientific and historical beliefs, many points of view presented within MCEO teachings extend beyond the framework of presently recognized spiritual/religious, scientific and historical “fact” that can be verified through common contemporary scientific procedures. *Thus, like many other popular belief paradigms, including ALL known “New Age” and “Traditional” spiritual/religious doctrines and many fields of contemporary scientific study, the perspectives presented within the MCEO teachings must, too, be presently categorized as theoretical in nature.*

The *verifiable actuality*, and thus the potential validity, of the presently theoretical spiritual, scientific and historical perspectives of MCEO teachings pertaining to the **“Ancient Science of the Shields”** (scalar-standing-wave templates of matter and consciousness), **“Merkaba Mechanics”** (interdimensional electromagnetic vortex mechanics), **“DNA Template Activations”** (frequency accretion within the scalar template behind manifest chemical DNA), **“Interdimensional Structure”**, **“15-Dimensional Anatomy”**, **“Bio-Spiritual Healing”** (support of biological healing and well being through holistic spiritual practice) and **Humanity’s Evolutionary Journey**, perspectives which are featured within the **MCEO Kathara Bio-Spiritual Healing Program**, **MCEO Maharata “Dance For” Programs** and related published works of the MCEO, cannot at this time be “proved or disproved”. Therefore, the MCEO Paradigm and its related teachings, techniques and technologies are offered to the public as a unique and inspirational view point, solely for the purpose of public investigation, consideration and theoretical exploration.

Though the presently theoretical categorization of MCEO teachings within the public sector is recognized, it should also be recognized that members of the Azurite Press, Trustees and the AP Regents Council, as well as authorized MCEO translators/authors and teachers and many individuals within the international community, have personally chosen to accept the validity of MCEO teachings as representing more than a theoretical perspective, instead acknowledging the MCEO Paradigm as a factual reality interpretation, and practical worldview, through which progressive expansion of personal consciousness and coherent spiritual awakening are fostered. Such decision as to the factual or theoretical categorization of the MCEO Paradigm, and the responsibilities inherent to this decision, are deeply private spiritual issues, and thus must be assigned to the faculties of personal discretion.

MCEO Meditations for Spiritual Exploration, Medical and Psychiatric Considerations

As the MCEO Paradigm is built upon presently theoretical spiritual, scientific and historical perspectives, any and all techniques and technologies offered through the MCEO Paradigm must also be considered as presently theoretical in nature, and thus any and all techniques and technologies presented within MCEO teachings are ***not intended to diagnose, treat or cure any disease or***

illness, nor are they intended as substitution for professional medical or psychiatric advisory or treatment. Techniques and technologies provided within MCEO teachings are offered to the public solely as ***“Meditations for Spiritual Exploration”***, with the intention of assisting to serve the further evolution of human consciousness through providing exposure to an expanded range of perspectives and potentialities. **It is strongly recommended that individuals having a history of medical or psychiatric difficulties, or whom are presently under the care of medical or psychiatric professionals, seek professional advisory before using any MCEO Meditations for Spiritual Exploration techniques or technologies.**

Since introduction of *MCEO Meditations for Spiritual Exploration* techniques and technologies in 1999 many people have **claimed to receive beneficial affects and effects in the development and expansion of personal consciousness and spiritual awakening** through use of MCEO techniques and technologies. There have also been a **lesser number of reports of individuals claiming to receive no affect, effect or benefit at all**, but there have been **no reports of individuals claiming adverse medical, psychiatric or psychological affects or effects** in conjunction with use of MCEO techniques and technologies. As a reflection of commitment to responsibility in presentation, MCEO techniques and technologies are not presented for exploration in the public domain until they are first and/or simultaneously explored, utilized or practiced by authorized MCEO translators/authors/ teachers and members of the Azurite Press Board of Directors. Though validation of factual actuality pertaining to affects, effects or benefits of practicing MCEO Meditations for Spiritual Exploration techniques and technologies must, like the techniques and technologies themselves, for the present time remain within the realm of theoretical exploration, it can be reported that since 1999, findings pertaining to the practicality of utilizing MCEO techniques and technologies have consistently revealed that affects and effects of such practices are **quite individualized, though predominantly positive**, in nature. Therefore, however, **no claims, promises or guarantees as to the affects, effects or benefits an individual might expect to encounter through use of MCEO techniques and technologies can be offered at this time.** Utilization of MCEO Meditations for Spiritual Exploration techniques and technologies presently remains within the category of **experimental self-exploration**, through which absolute conclusions regarding generalities of mass affect, effect, benefit or detriment cannot yet be drawn. **An individual's involvement with MCEO teachings, techniques and technologies represents a choice of personal decision and discretion, and thus responsibility pertaining to affect and effect of practice that are inherent to this choice must also remain with the individual.**

Claim of Authenticity

In offering MCEO teachings for public exploration, **neither the translators/authors, publishers, promoters or related individuals and organizations make any claims whatsoever as to the factuality of ideas or perspectives contained within the MCEO Paradigm.** Though the *MCEO teaching texts themselves* do on occasion claim that certain ideas and perspectives are of a factual nature, such claims represent points of view intrinsically contained within the ancient texts from which contemporary translations are drawn. The authorized translators/authors of contemporary MCEO teaching texts hold a binding commitment to ensure the clearest and most accurate translation of MCEO texts as possible under current evolutionary circumstances; a *commitment to clarity and accuracy of translation* that must include the allowance of contemporary translation of any *claims of factuality as they are contained within the MCEO texts of antiquity.* **Information represented as factual knowledge within the MCEO texts of antiquity, and their contemporary translations, is understood to represent “potential or possible factuality, expressed as factuality within the ancient texts, but which presently resides within the domain of theory” within the context of contemporary publication.**

The contemporary translators/authors of MCEO teachings **claim only** that the MCEO text translations contained within presently published works bearing their authorship represent an “as-accurate-as-possible” translation of MCEO text records believed to have been created in ancient times, which the contemporary translators/authors have had opportunity to review through ***authentic personal experiences***. Translators/authors thus make claims only as to the **authenticity of their personal experiences** through which review of ancient MCEO text records occurred and as to the factuality that translation of the reviewed ancient MCEO texts into contemporary English language has been rendered by them as clearly and accurately as possible.

As the original MCEO texts of antiquity are not presently in the direct possession of authorized contemporary translators/authors, and thus contemporary translators/authors cannot at this time publicly display these artifacts in order to validate the reality of their continued existence and verify their inherent content, those who explore contemporary MCEO texts translations must understand that such works are presented as theoretical perspectives and possibilities, the validity of which one may choose to believe, or disbelieve, upon the merit of one's personal discretion. ***If ideas, concepts or perspectives contained within the MCEO texts, their contemporary translations or related teaching materials bear any resemblance to ideas, concepts or perspectives***

contained within any other presently known spiritual/religious, scientific or historical paradigms or teaching systems, such resemblance is purely coincidental. However, the event of such coincidence arising may potentially suggest that both the MCEO Paradigm and paradigms to which it might bear resemblance **may have arisen from a common source in antiquity** that has yet to be discovered or scientifically verified, but which would upon discovery lend credence and clarity to such coincidence.

Terms, Conditions, Agreements and Implied Consent

As contemporary MCEO text translators/authors can make no claims or promises as to the factuality of ideas and perspectives presented within MCEO teachings, they likewise **cannot offer any claims, promises or guarantees as to the affects or effects that may or may not arise through personal use of MCEO teachings or Meditations for Spiritual Exploration techniques and technologies.** The responsibility for decision to engage involvement with MCEO teachings, techniques or technologies rests with each individual, and thus the responsibility for any affects or effects that may or may not occur in conjunction with use of MCEO teachings, techniques and technologies must also rest with the individual. The *Meditations for Spiritual Exploration* techniques and technologies provided within MCEO teachings represent translations from the ancient MCEO texts, and are provided to the public as an **option for personal spiritual exploration, investigation and experimentation, to be utilized at the personal discretion of the reader or workshop attendee.**

As stated in numerous public forums and workshops since 1999, *in choosing to utilize MCEO teachings, techniques or technologies it is understood that in so doing the individual accepts full responsibility for any and all conditions that may or may not occur in conjunction with such practice.* It is further recognized that the individual, *through the act of utilizing MCEO teachings, techniques or technologies, thereby through this act agrees* to release Azurite Press, Trustees, the AP Regents Council, authorized Kathara Bio-Spiritual Healing Program teachers and facilitators (pertaining only to MCEO-sanctioned Kathara "no-touch" procedures), authorized MCEO translators/authors, teachers, promoters and any individuals and organizations thereto related, from any and all claims of liability or damages perceived or assumed to occur in conjunction with involvement in MCEO teachings, techniques or technologies. This statement of Terms and Conditions represents a written *Notice of Implied Agreement and Consent to Liability Release* in regard to involvement with MCEO teachings, techniques and technologies. This Notice of Implied Agreement and Consent of Liability Release represents a *reiteration in specific written format* of previously provided notice as to the *necessity of taking personal responsibility for any and all consequences arising from chosen involvement with the MCEO Paradigm;* notice which has been frequently provide verbally in public forum since 1999. It is recognized that the *Implied Agreement and Consent to Terms and Conditions of Liability Release* stated here within is accepted and enacted as such *upon the act of chosen involvement with and/or practice of MCEO teachings, techniques and technologies.* If one is uncomfortable or in disagreement with this stated *Notice of Implied Agreement and Consent to Terms and Conditions of Liability Release*, it is suggested and recommended that one choose at this time non-involvement with MCEO teachings, techniques and technologies, until a future time wherein such concerns have been assuaged.

A Commitment to Quality and the MCEO Course-book Manuals

The authorized MCEO translators/authors, members of the MCEO, Azurite Press, Trustees, Regents Council, teachers and promoters of the MCEO Paradigm extend their greatest efforts in making MCEO teachings available for public exploration in **the most responsible and respectful manner possible**, whilst striving to maintain the **highest standards of integrity in MCEO text translation and teaching.** Intrinsic to such responsibility in presentation, authorized MCEO translators/authors, members of Azurite Press, Trustees, Regents Council and authorized teachers and facilitators of MCEO programs are all individuals who personally believe in the factuality of the MCEO Paradigm and who actively participate, for personal spiritual reasons, in MCEO programs, including personal utilization of MCEO techniques and technologies. These individuals all share a **common commitment to achieving and maintaining integrity, quality and responsibility in public presentation of MCEO teachings;** this shared commitment arises from a commonly shared, individually held, reverence, respect, appreciation for, and belief in the validity of, the MCEO Paradigm, its inherent teachings of personal spiritual self-discovery and the limitless potentialities of human consciousness that this paradigm suggests.

On behalf of this commitment to quality, may it be understood that **MCEO Course-book Manuals**, as featured within the MCEO Kathara Bio-spiritual Healing Program, MCEO Maharata "Dance For" Programs, MCEO Masters Templar Stewardship Initiative Program and other MCEO teaching programs, **do not represent completed books**, but rather exist as **companion text briefings** that are created in conjunction with **specific corresponding live workshop presentations** which are preserved via **audio/ video recordings** that are made available on the *Azurite Press Products List* as specific Program Sets. The Course-book Manuals that accompany some of these audio-video workshop programs **contain only the charts, graphs and most pertinent information**

pertaining to their corresponding audio-video program, and do not contain the *many pages of dialogue and detailed explanation* that is incorporated verbally within the audio-video program. Thus MCEO Course-book manuals are not intended to be used alone, but are rather intended for use as an **additional educational aid in conjunction with their corresponding audio-video workshop program.**

As new MCEO workshop materials are often released and translated during live workshop presentations, the corresponding Course-book Manuals and their inherent graphs and charts often reflect the immediacy of the new information provided in that they are initially rendered **"in-the-rough"**, often with portions of text in hand-written form, not yet "perfected" for book publication with appropriate dialogue text detail, typesetting, computer graphics, pagination and indexing. As each new workshop since 1999 has introduced the next level of new, live MCEO data translations, there has been insufficient time to "move backward" and perfect the quality of production pertaining to MCEO Course-Book Manual texts from previous workshops. The information and new MCEO teachings contained within each workshop program always reflect the standards of integrity and quality inherent to the MCEO Paradigm, but often timely public release of new materials is achieved at the expense of quality in product production. **The Azurite Press staff apologizes for any inconvenience that such "data-in-the-rough" may cause; however, if workshop programs were withheld from Product List release until their audio/video recordings and corresponding Course-book Manuals were "perfected" in terms of product production, it would be several years before these materials were released for public review.** As new MCEO teachings are often time-sensitive in regard to the unfolding of planetary events, especially since 2000, it has been of greater priority during this time to expedite availability of the MCEO teachings contained within the products, than it has been to demonstrate the standards of excellence in quality product production that remains a goal of Azurite Press.

For the time being, MCEO audio-video-Course-book Programs are in a **state of continued evolution**, as the small staff at Azurite Press, with the assistance of numerous individuals who volunteer their time and talents, endeavor to compile dialogue transcripts and perfect typesetting, computer graphics and format organization of previous MCEO workshop presentations in effort to fulfill the goal of creating "perfected" book publications that contain, and "do justice to", the vast body of quality teachings that have been presented during the 1999-2003 MCEO workshops. The commitment to achieving excellence in quality of production, as well as quality of information, that is held by members of Azurite Press staff arises from the personal desires of staff members to "honor the spirit of the teachings" which they have found personally valuable, as well as from a desire to provide the best possible quality of product and service in spiritual respect to the public. Until the goal of achieving "perfected" product production quality is actualized, Azurite Press staff hopes that the public will share in the recognition that it is the **quality, and inherent substance, of MCEO information, more so than the "package that it comes in", which demonstrates the value of Azurite Press MCEO educational products.**

Possession, Salvage and Extraction

Possessions start.

The 5 Stages of Possession

1) Breach Period

(Conception – Age 8)

D-4 Astral Field and Chakra 4 Breach — sometimes at conception due to parental gene codes or incarnate's own karma.

2) Overshadow Period

(Age 8 – 1998)

Possessor remains in D-4 Astral Field, but interfaces with the organic multidimensional communication line & "guides" the organic identity, becoming its friend.

3) Embodiment Period

(1998 – 2006)

Organic identity attempts to fight back and is thrown into emotional/mental bi-polar chaos.

As D-1, D-2 and D-3 invasion continues, the D-1-2-3 organic identity is progressively displaced into the Secondary Neuro-circuitry in "coma state."

Possessor first takes over Etheric D-1, then physical/emotional D-2, then mental D-3.

Possessor triggers the "Walking Dead" process, splitting the Chakra 4 Seed Seal, then Chakra Seed Seals 3, 2, and 1. Possessor traps the organic identity in the DN-1 physical body, then progressively "downloads" itself from D-4 Astral to the D-1 Etheric, D-2 Telluric/ physical-emotional and D-3 Atmic/mental bodies.

4) Saturation Period

(2006 –)

Organic identity in displacement/"coma".

Distinct different personality in body — as possessor first engages full embodiment, it can't yet cloak its distinctly different identity.

Starts when D-3 mental body reaches 90% invasion by possessor. When this first occurs, possessor forces the organic identity into the dormant Secondary Neuro-circuitry and into a "coma state," and possessor gains first control of Primary Neuro-circuitry and embodiment.

5) Blend Period

(2006 – 5/28/09)

Immediately follows Saturation Period. Usually takes about 2.5 – 3 years — but sometimes faster.

When possessor attempts to complete the blend by absorbing the encryption of the 10% remaining D-3 mental identity, intervention begins.

Possessor progressively "blends" the organic identity's encryption from the Primary Neuro-circuitry with its own, progressively "adopting the cloak" of the organic identity mental/ personality, physical body and Etheric body structure. "Seems like the old organic identity again" — but can sense "superficiality" or falseness in communication and emotional exchanges.

Divine Intervention Salvage begins. (Note: If no intervention, possessor displaces remaining 10% and engages the "Consumption Stage".) Intervention requires that the incarnate's body have a minimum dormant core code set that will allow for minimum Universal (M31) to Transcendental (Aquareion) extraction procedures.

The 4 Stages of Salvage

1) "Hell-Fire" Period — Retrieval Stage (5/28/09 – 6/11/09)

Approximately one month.

When "retrieved" full identity completes reassembly in Jha-DA Orb, it then takes on the form of a physical "Jha-DA Body".

The physical body at this point is fully the possessor identity.

During the Hell-Fire Period, the organic identity progressively leaves the physical body — it actually "dies" and goes into Jha-DA Orb.

Starts when possessor attempts to "assimilate" the remaining 10% D-3 mental encryption. Beloveds intervene, and force-pull the 10% remaining organic identity out of body into Jha-DA Body Orb.

Once the 10% "still conscious" organic identity is retrieved, the portions/quantum of the D-3, D-2 and then D-1 displaced organic identity in the dormant Secondary Neuro-circuitry are progressively pulled out of body into Jha-DA orb ("Sleeping Orb"), then woken up for review and healing.

2) Stealth Period — Reclamation Stage (6/11/09 – 6/25/09)

Reclamation starts with organic identity in Jha-DA Body pushing into the D-4 Astral Field in overshadow, then moving downward to D-3 mental, D-2 physical, D-1 Etheric.

When this reclamation is complete, the organic identity stabilizes and "wakes up in the body"; possessor is in "coma state" in Secondary Neuro-circuitry.

The organic identity (with Host support) in Jha-DA forces its Jha-DA Body back into the Primary Neuro-circuitry of the physical body, displacing the possessor identity into the dormant Secondary Neuro-circuitry. Possessor temporarily enters "coma state" and the disoriented organic identity reclaims Primary Neuro-circuitry.

3) 1st Peace Period — Rebalancing Stage (6/25/09 – 7/7/09)

"Embodied Review" Healing Stage-1 starts.

The newly-embodied and retrieved organic identity balances in the newly-reclaimed body — and begins download of review memory from Aah-JhA Body. Starts "Embodied Review" 1st Stage of Healing.

4) Extraction

The 6 Phases of Extraction

1) Spike Period — Extraction Stage-4 Phase-1 Onset of Extraction (7/7/09)

Ends in body Bhardoah unless a Mashaya-Hana (MH) Extraction is possible.

MH-Extractions

- 1st Red Pulse
- Possessor awakened and trapped in body by Radial Harness Fields.
- Mashayah Landing

(Heart may stop at electrical surge, then heart rhythm blends with Mashayah identity's heart rhythm.)

1st Red Pulse Spike; possessor and Secondary Neuro-circuitry reawakens; body engages frequency overload via electrical surge and Bhardoah cycle begins.

If MH-Extraction, the Mashayah identity anchors.

Possessor is trapped in the body via Radial Harness Fields and realizes extraction is occurring.

**2) Trauma Period —
MH-Extraction Phase-2
Initiation of Extraction
(7/7/09 – 7/15/09)**

Biochemical battle between Primary and Secondary Neuro-circuitry — personality chaos in body, bi-polarity, etc.

"Battle begins": 15 Red Pulse phase-pulses begin into D-1 Etheric Template from Rasha Body.

"Red Pulse Extraction Current" downloads into Etheric Template.

Possessor "freaks out," knowing Extraction Phase-3 will come next.

**3) Mini-Death Period —
MH-Extraction Phase-3
Activation/Consummation of Extraction
(7/15/09 – 8/7/09: 7/7-21 D-1 end; 7/22-28 D-2 end; 7/28 – 8/4 D-3 end)**

21-24 days.

Personality stabilizes, but may feel like it's "dying" as the possessor progressively engages Red Pulse annihilation starting with D-1 up. Personality may experience "both sets of thoughts and emotions" — still bi-polar — but the possessor feels resigned to its fate. Organic identity engages more in-depth personal review and has an almost "emptiness feeling" — detached from everything, or depressed.

As annihilation of possessor progresses, the organic identity begins to feel a "tension and burden lifting," with bursts of new hope for the future — a shift in state into a healing space. When annihilation of possessor is complete, organic identity will begin to feel it has a "second lease on life" and was "somehow saved"; still disoriented about what happened.

Possessor is progressively sent back to Partiki Dust as Red Pulse annihilation wave runs into body and fields from Rasha to D-1 and up.

Once D-2 annihilation starts, physical body may go through "shakes," heats, colds, spinal pain/pulls (as CVC readjusts), and axiatonal/ muscle/joint pain and illnesses.

As D-3 annihilation starts, depression, resignation, both in emotions and thoughts.

(MH-Extraction Phases 4-6 are part of the Cleansing Period.)

**4) Rebirth-Childhood Period —
MH-Extraction Phase-4
(August 7, 2009 – October 2009)**

Two to three months.

Identity begins recalibration of personality encryption and needs a firm but loving environment to relearn, plus emotion and action management.

DN-1 review completes.

**5) Adolescent Period —
MH-Extraction Phase-5**

Two to three months.

**6) New Adulthood Period —
MH-Extraction Phase-6**

Three to four months.

Summary of Organic Ah-yas Phasing, the Jha-DA' Orb & Stardust Flow

1. *The First "Out-Phase" (Pg 15)*

- A) As the 1st Eiron Backflow Return Spark polarizes the Ah-yas, creating the 1st "Out-Phase," the atomic encryption carried by the 2 Ah-VA-yas units engages its 1st materialization through the Atumus and "flashes on" in the Endoplasmic Atmic structure within the vertical "Ah-VA-yas" Doorway.

The Ah-yas Capsule also expands outward within the Aah-JhA' Capsule surrounding the polarized Ah-yas.

- B) Once the 2 Ah-VA-yas units have reached 45° "Out-Phase" expansion, the *Eiron Point* in the Ah-VA-yas closes causing the (+ve/ -ve/ 0) Atumus and Endoplasmic Atmic structure to temporarily *magnetize* (to -ve), which engages the 2 Ah-VA-yas units for the 1st "In-Phase" – *Spark Phase-1*.

2. *The First "In-Phase" (Pg 16)*

- A) The 2 Ah-VA-yas units phase to the magnetized Atumus at the Center Line and the Ah-VA-yas engages 1st contraction.
- B) Upon merging through the Atumus, the 2 Ah-VA-yas and Atumus spark (ManA +ve 33¹/₃ pp).
- C) Sparking of the Ah-VA-yas causes the Ah-VA-yas Thermal (+ve) Mana Fields around the (-ve) Atumus to activate (+ve).
- D) The horizontal Ah-VE-yas Doorway between the Ah-VA-yas and Ah-VE-yas opens and begins magnetizing the corresponding level of the Light Body.
- E) The ManA (+ve 33¹/₃ pp) Spark at the Atumus splits into 21²/₃ +ve Mana and 11²/₃ +ve Prana-joules quantum. The +ve Prana-joule quantum rises vertically to the *Eiron Point* of the Ah-VE-yas, forming the +ve Prana-joule Ring (of stored Prana +ve quantum) around the Eiron Point.

The Mana +ve quantum enters the Atumus (-ve) and neutralizes its -ve charge, causing the Atumus, atomic Ah-VA-yas Body and the Ah-VA-yas Field to enter a (0/ +ve) "superconductive" state, in which the -ve Endoplasm of the Atumus and Atomic-Ah-VA-yas Body temporarily transmute into "0/ +ve" Thermoplasma, activating the Thermonuclear potentials of the Ah-VA-yas Thermal Body.

- F) The "0/ +ve" charge of the Atumus causes the 2 (+ve) Ah-VA-yas units to again move apart and engage "Out-Phase".
- G) As the Ah-VA-yas separate, the horizontal Ah-VE-yas Doorway closes, and the vertical Ah-VA-yas Doorway opens around the Ah-VA-yas Thermoplasmaic Body; as the "0/ +ve" superconductivity of the Thermoplasmaic Atumus and Ah-VA-yas Atomic Body progressively subsides, the Atumus and Ah-VA-yas Atomic Body transmute back to their original Endoplasmic (-ve/ +ve/ 0) "water matter" state.
- H) Once the 1st "In-Phase" – Spark Phase-1 completes, and the 2 Ah-VA-yas units return to the 45° "Out-Phase" position, Steps 1 (Out-phase) and 2 (In-Phase) will repeat 11 more times, for a total of 12 Rounds, of "Out-Phase"/ "In-Phase" Spark; each round builds a quantum of +ve Mana within the Atumus and Ah-VA-yas Atomic Body, and a quantum of +ve Prana-joules within the Prana-joule Ring surrounding the Eiron Point of the Ah-VA-yas.

At the 12th “In-Phase” (following the 12th “Out-Phase”), the +ve Prana-joule Backflow Spark to the Prana-joule Ring — at the Ah-VE-yas Eiron Point — causes the *Eiron Point to open*, setting in motion “In-Phase” – 2: Ascent of the Ah-VA-yas.

3. “In-Phase” – 2: Ascent of the Ah-VA-yas (Pg 17)

(Begins at the end of the 12th In-Phase when Eiron Point in Ah-VE-yas opens)

- A) Upon opening of the Eiron Point, the atomic Ah-VA-yas Body and Ah-VA-yas Thermal Field (in the “superconductive 0/ +ve” Thermoplasma state) ascend through the opened horizontal Ah-VE-yas Doorway, into merger with the Ah-VE-yas *Eirah Body* and Hydro-field, forming a Hydro-Thermal Ah-yas Atomic Body, and Field, centered on the Eiron Point.
- B) As merger occurs, the Ah-yas Capsule engages its second contraction, drawing vertically upward toward the Ah-yas Body.
- C) Once the (+ve/ -ve/ 0) Ah-yas Hydro-Thermal Body forms around the open Eiron Point, the +ve Prana-joule Ring around the Eiron Point *back-flows* through the Eiron Point and into the ElumEiradhona Spirit Body Core.
- D) The ElumEiradhona Spirit Body Core sends a *Backflow Return (-ve) Eiron Spark* back out of the Eiron Point and into the 12 Allurean Chambers of the Ah-yas Hydro-Thermal Field, and into the core Atumus of the Atomic-Ah-yas Body, causing the “Flame Fields” of the Ah-yas Field and Atomic Body to activate on a “+ve/ -ve/ +ve” charge, preparing the Ah-yas and Atomic Body for transmutation through the “In-Phase” – 3: Aah-JhA’ Orb.

4. “In-Phase” – 3: Aah-JhA’ Orb (Pg 18)

- A) The Hydro-Thermal Ah-yas Atomic Body transmutes and changes form, de-materializing the atomic structure and pulling into the core Atumus as a *Hydro-Thermal Wave*.
- B) As the Ah-yas Body transmutes into the core Atumus, the Ah-yas capsule engages its 3rd contraction and condenses, drawing its base vertically upward to the Ah-yas Body Field, to form a spherical capsule called the *Aah-JhA’ Orb Body*, around the Ah-yas Field.
- C) The 12 Allurean Chambers within the Aah-JhA’ Orb activate circulation, creating a 12-Point Hydro-Thermal “*Starshine Radiant Field*” emanating outward from within the Aah-JhA’ Orb.

5. “In-Phase” – 4: Descent of the Aah-JhA’ (Pg 19)

- A) Once the “Starshine Field” Allurean Circulation has engaged within the Aah-JhA’ Orb, the Aah-JhA’ Orb (carrying the Atumus with the Hydro-Thermal Wave Ah-yas Body at its Eiron Point core) descends into the “Spark Point position” (AzurA).
- B) Once descended, the Aah-JhA’ Orb then shifts its axis and ARPS 15° CW to align with the axis and ARPS of the Light Body.
- C) Once the Aah-JhA’ Orb — and the Ah-yas Hydro-Thermal Field within it — complete the 15° CW shift to Light Body alignment, the *Atumus Core* of the Aah-JhA’ Orb shifts 45° CCW into alignment with the *Rasha Dark Matter Body* in the AzurA.

The Atumus, and its content, transfigure into the Rasha Dark Matter state and draw into the 15-layer *Dark Matter Rasha Par-TE'-KEi Body*.

6. "In-Phase" – 5: *Jha-DA' Trans-Harmonic Orb (Pg 21)*

- A) As the Atumus Body draws into the Rasha Dark Matter state, the Aah-JhA' Body and Hydro-Thermal Ah-yas Field within it merge with the corresponding level (one Dimension up from the Aah-JhA' dimensional level) of the Light Body Field, by drawing through the AzurA *Central "Lock"* and into the *Aurora Continuum*, and reemerging through the AzurA Lock at the Light Body Axis.
- B) The Aah-JhA' Body's inner Ah-yas Hydro-Thermal Field then bonds to the ShaLAea quantum of the corresponding Light Body level, causing the ShaLAea Fields of the Light Body to enter a "0/ +ve" *superconductive state*. (Note: The Light Body Fields are the atomic "understructure" to the Atumus Endoplasmic atoms.)
- C) When the Hydro-Thermal Ah-yas Field of the Aah-JhA' Orb bonds with the ShaLAea Light units of the corresponding Light Body level, the Aah-JhA' Orb transmutes the ShaLAea units into Mana Light, and draws the Mana into the Ah-yas Field.

Upon merging with the Aah-JhA' Orb, the ShaLAea Light Body transmutes (to Mana), then Transfigures (re-spiritualizes in merger with the Ah-yas Field), and the Aah-JhA' Orb becomes the Electro-Thermal *Transcendental Jha-DA' Orb Body*.

7. "In-Phase" – 6: *Ascent of the Jha-DA' Orb (Pg 22)*

- A) Upon completion of merger with the Light Body level's ShaLAea Light at the AzurA, the Jha-DA' Orb — with its Atumus-atoms in Rasha state, its Core Eiron Point open and the Light Body ShaLAea-Mana Dark Matter units in its Ah-yas field — ascends to its corresponding *Density Rajhna Lock* and begins *Core Eiron Point Circulation "Stardust Elemental Orb Flow"* with its Spirit Body (on opposite Event Horizon).
